### Making Decisions.

**Work Experience** – your placement will be linked to your Option Subjects and interests. This will give you an invaluable insight into the world of work and help you to understand the relationship between your school work and the world of employment.

**College Transition** – you will participate in a series of taster sessions at your chosen colleges. The school will support these visits as part of your preparation for moving on.

**School work** – you will be preparing to complete coursework, assessments and examinations. Baycroft will show students how learning connects to different careers and future pathways through continued employer and provider contact.

**Participation** - Beyond Baycroft Passport sessions, Life Skills and Personal Development lessons.

**Attend** – Your Annual Review and Parent Consultation Day will give you and your parents and carers further opportunities to discuss your future choices.
